### Directions when driving

Steane Grounds is situated between Hinton-in-the-Hedges and Steane Park off the A422. From the M40: Take junction 10 onto the A43 towards Brackley. Keep going towards Brackley until you see a sign for the A422 towards Hinton in the Hedges. Once on the A422 you will see a sign for Hinton in the Hedges on your left. Do not take this left as it is more complicated to find us this way. Continue on and you will pass straight over a round about. After about 5 minutes on the A422 you see a stone wall on your right. Once you see this stone wall, slow down a little because you are looking for a sign on the A422 on the left saying "Hinton Airfield". The sign is situated in between yellow and black sharp turn warning road signs. Take this single lane track in between the sharp turn warning signs. Immediately once on the single lane track you will see a sign saying "No Access to Hinton Airfield". Steane Grounds is the first row of cottages you see on your right hand side, approximately 2 minutes down the single lane track. If you have reached the green triangle with a sign post for Steane Park on the right hand side of the A422 you have gone too far.
